Advt. No. IIITDMK/Project/IKS/PI/2025/02

Date: 14th Nov 2025

Project Name: Nyayashaastras for Computer Science Engineers

Indian Knowledge Systems (IKS) under the Ministry of Education, Govt. of India has sanctioned the project entitled “**Nyayashaastras for Computer Science Engineers**” under the Scheme **IKS Institutional Internship Program-2025**.

Computer Science and Engineering is one of the disciplines where predominantly all the subjects are built over logic. Traditionally, it is the Greek or the western logic that is used. In our country, our esteemed scholars have a well established logic framework known as Tarka Shaastras. Predominantly, they are used for proving and analyzing concepts in Vedanta. In this experimental project, we would like to analyze and research the applicability of Nyaya shaastras for Computer science and engineering concepts.

S. No	Name of the Post	No. of Position(s)	Consolidated monthly Stipend	Minimum Educational Qualifications
1	Interns	16 (Scholars and Engineers Combined)	Rs. 10,000.00/-	For Engineers: Students who are currently in B.Tech 2nd year and above with Strong basic knowledge of Propositional and Predicate Logic (Minimum CGPA: 8.5 for non-CFTI students) Additionally, they should be able to read and write Sanskrit. Since this is a culture oriented project, the students are expected to have a basic knowledge of Hindu Scriptures and the main hindu schools of philosophies. They should be ready to read and learn about new ancient hindu scriptures also. For Traditional Scholars: Should have basic knowledge of Tarka Shastras (At least till Muktavali); Should have basics of Mathematics atleast till 10th. Since this involves mathematics and logic, scholars who work on this are expected to have a strong logical foundation to think logically. Irrespective of Scholars or Engineers, both should have strong commitment and zeal towards contributing to our culture, values and scriptures.

Tenure of appointment: The paid internship is only till the end of Feb 2026. However, if the interns are interested, they are allowed to extend, without a guarantee of Internship stipend based on the performance.
